“ I feel so bad about this news. When I was Little I used to go up north with my grandparents and one of the many places we went was to Phil and Linda's. We had lots of fond memories of being at their house for family get togethers and even my grandparents ( Walter and Carrie Schwartz) 50th anniversary was held over to Phil and Linda's house. I will always remember her love of life and of course those boxers that they had.

“ I am so sorry to hear of the loss of Linda, she was a sume lady. The only woman besides my own mom that i ever called mom was Linda. She was such a loving and careing woman, even when she would see me as an adult she would always scoop me up with a hug and an " i love you" . She will always remain so loved and like a mom to me in my heart.

“ Linda was a very special friend & lady. I have many wonderful memories of her and our time at Curves. Linda was always such a caring and compassionate person. She cared about everyone she met and always was the first to lend a hand. The world needs more people like Linda and I feel very blessed to have known her and her family. I know how hard this is for her family just remember she will always be in your memories and she is with the God she loved so much.
