

Linda Lorea Bugeia

October 3, 1962 - March 6, 2023

Linda Lorea Bugeia of Mesick passed away on Monday, March 6, 2023 at Munson Medical Center with her beloved husband, Andy at her side. She was 60.

Linda was born October 3, 1962 in Garden City, Michigan to T. Lane and Barbara (Griner) Davis. She was preceded in death by her parents and sister, Becky Goch.

Linda and Andy were married on July 23, 2005 and were planning to renew their vows in the Catholic Church this year. In addition to her cherished husband, she is survived by their son Jacob, brothers: Bruce Davis and Byron (Shelly) Davis, sister: Terresa (Mike) Ramsay, niece: Tina (Jason) Terpevich, nephew: Dean (Tammy) Oatman, the 'Super 8' nieces and nephews: Melody, Courtney, BreAnne, Carley, Kate, Dimitrie, Brent and Alexander, mother-in-law: Mary Bugeia, sister-in-law: Laura (Kevin) Weston, brother-in-law: Joe Bugeia and nephews: Karl Weston and Erik (Abigail) Weston.

She earned an associate degree in Interior Design, and excelled at capturing her clients' visions and desires into beautiful and highly functional designs. This creativity spilled over into every aspect of her life; she was an amazing chef and loved to make wonderful feasts for family and friends, she sewed costumes for nieces and nephews and was a master at party planning; she made every event or gathering memorable. Linda had a strong sense of family and consistently took care of everyone, frequently putting herself last. She loved to go rustic camping with Andy, Jacob and Tula in the Upper Peninsula;

anyone who had the opportunity to drop in on them was treated to the most amazing cuisine made over an open campfire.

The Mass of Christian Burial will be held 11:00 AM, Tuesday, March 14, 2023 at Saint Ann Catholic Church in Cadillac with Rev. Fr. Michael Janowski as celebrant. Friends may meet the family Monday from 5:00 to 7:00 PM at Peterson Funeral and Cremation Services in Cadillac. Her final resting place will be Antioch Township Cemetery.

“ So sorry to hear about Linda it has been a very long time since we have seen each other. I spent my teen years and a bit more with Linda and her family I use to call her Mom Ma Davis. Linda's home was my second home. I lived around the block so every day after school we would hang out talk and laugh and just have fun. I will never forget the day she got her new car she was so excited to have it and we were going to meet her sister Becky out at the lake but Linda had an appointment first at the unemployment office first then we had a terrible storm come in we called it the green storm and the roof of the building fell on top of her car she just got. I felt so bad for her but it never brought her down not much did . Rest in peace my old friend Love Julie

“ Linda you are so very loved here at Builders First Source. I already miss you checking in on me every morning when you would arrive and having our morning chats about life, husbands, and our plans. You always had so much on your plate but would brush that aside and ask if I needed anything or what you could do to ease my day. I will miss our friendship and your caring heart. I can still hear your laugh when I think about you and it makes me smile. Just know that you were loved and appreciated so much. I am thankful to have had you in my life and will keep you and your family in my thoughts and prayers. Love , Susan

“ *I remember a fine summer day at Island Lake Recreation Area. We had finished a wonderful meal at the beach and kicked back to relax when I was pelted with watermelon seeds from the mouth my dear friend Linda The game was on!! She would save seeds in her mouth and shoot rapid fire at her target. It is hard to shoot back when you are laughing so hard. I was there in the early days of dating the man that I would eventually marry. He was quite shy around my friends, but a rousing game of sock-head took care of that! Linda was maid of honor at our wedding. She was more special to me than anyone knows. She knew how to console and uplift anyone that needed her special touch and understanding*

We have not seen Andy or Linda since their wedding. Time has a way of pulling people apart in the physical sense, yet in the heart they are with you all along. Andy and Jake you have all of our love and prayers. We wish the sorrow will not last and you will smile, not cry when you think of her. I for one will think of rolled up socks and watermelon seeds.

“ *Linda, my cousin, my sister, my friend, my cohort, mostly my heart! As we traveled life you have become the pillar in our family. The one that we did not even have to look for, you were always there. Shake rock and roll, planning, creating, sewing, cooking, a shoulder to lean on, a whisper of advice. I can see your smile and hear your laughter, the grace and gift God leaves us. Our individual lives and family are forever changed, hold our hands and guide our hearts. You have certainly left your loving fingerprint on each and everyone of our hearts. I love you sweet lady Jane. Annette*
