“ We live just down the road from Lois and her Husband Lawrence for many years. It was great to see the go by in the PT Cruiser headed out to lunch. We will miss talking to them when we would meet on the road. The walks will be a little sadder not seeing them.

“ I will always cherish the time I spent with Mrs. Miller as my piano teacher and my girl scout leader. She also gave me several books that I have had now for over 50 years.
