“ Lorie,
This may never be seen by anyone else but You and I. We briefly
walked down the road of Love but I was afraid.
But You Loved Me anyway, but not as much as I Loved You.
Everything We did together was with Love and the belief We both
had each other.
There is still one question that goes unanswered that I haven'
t asked until now.
Why is it that God calls Us Home when it hurts so many of Us.
Remember.....Keep Striking Honey!!!
I Love You and still Miss You so bad it hurts.....
