“ Louise and I were neighbors, both moving into a condo at the same time in 2002. We shared the back planter behind our units. Little did I know that she was a master gardener. I, on the other hand, was a novice. I felt she would be quite disappointed when I couldn't hold up " my end" but she wasn't. Instead, she took me under her wing and taught me about gardening. We had the most beautiful planter in the complex. I always remember her in the spring whenever the flowers bloom, and I will continue to remember her whenever I plant my flowers. We were both English teachers, and she was a mentor for me in this capacity as well. Louise was a special lady.

“ Mrs. Wyman was one of my favorite teachers. I learned so much in her Senior English class that I had no difficulty performing well in my college-level English classes. Mrs. Wyman was a very bright, thoughtful, kind, and caring teacher with a wonderful sense of humor. I am grateful to have had a teacher of her caliber at Cadillac High School.

“ Mrs. Wyman was one of my favorite teachers. Throughout my college years and after, I used many of the skills that I learned in her Senior English class. She instilled an appreciation for Shakespeare by having us decipher Macbeth...and it was fun. She was a kind and caring, and I was fortunate to have her as a teacher.
