Sonny dressed up at my wedding as one of my groomsmen. He was a friend, accomplice and a brother in all but name. I will never forget the hours of games, talks or all night movies. I never did get you back for the Jurassic Park prank, even though I now laugh about it.

“ *You are a brother from another mother, through out all the years of playing games, enjoying 3 wheeler and dirt bikes together, camping in the backyards and all the other stuff on the farm. You're going to be missed at the round table of friends and family.*

“ I met Sonny 10 years ago through my husband Justin Arndt. He has been such an amazing friend to Justin over the years and I am so glad they had each other. Sonny has always been so welcoming to me as I joined the circle of friendship. I will miss laughing and goofing around playing games online and chatting over discord with Sonny. I wish I could be there with Justin to say goodbye, but know that you are in my heart and thoughts. God bless you Sonny and prayers to your family in their time of greif.
