“I was a friend and I was Peggys hairdresser for many years. I always looked forward to seeing her on her Wednesday appointments for years. She was a special lady who adored her family. I have been going to Samaratas for many years now, mostly at Christmas to visit her. When she would see me she would wave me down. I'm sure she recognized me as someone she should know but couldn't put a name on me. I missed her when she couldn't come to the salon anymore but God got to add her to his beautiful garden. RIP Peggy. Loved her. God Bless her loving family.

“We have some fond memories of our biological Aunt Peg. We kept in touch through letters for a while with her giving us family tree information. We love her lots and she will be missed. Our Mother is her biological sister and she will miss her younger sister. See you in Heaven someday Aunt Peg.
