“ I met Marilyn online years ago. We had the same caring for the Catherin Cookson books. I bought a bunch from her. We would chat about stuff online. Sometimes phone calls. She would pray for me and mine and I would pray for her and hers. We had spoken a bunch of times about her coming west for a visit. Last year we were thinking she could come to Oregon and visit, and I would take a jaunt with her back on the Am Trac..... Listen " hinny" we will still do a trip on the other side.
