“ Aunt Marnie you will be truly missed. I'm so thankful we got to reconnect back in 2016 and again earlier this year. It was a beautiful experience to get to know you even more. I know you mean the world to your family and you will be missed to the highest degree. We all love you so much.

*I will never forget your delicious pancakes. Every morning we had blueberry pancakes waiting at the table..no one can make better!
We will miss your Birthday cards and sassy one-liners. Especially when you would yell BACKY!-*

We will miss you very much. We laughed and we laughed and we won't ever stop...-

“ To my beautiful sister, Marnie:
I have loved you since the first time Dad placed you in my arms. He told me to always watch Over you and to be a good example. Thank you for ALL you did to watch over all of us in this life. You always said what was on your mind...lived how you wanted to live....and made life easier for all in your family. Thank you for helping me solve all the problems I had when I was a principal and had those " special fun" kids!!! Thank you for encouraging in when I was working on my Master's and when I went back to teaching Middle School and found the career I really loved! I will miss you each and every day. I am so happy that all of the sisters got together in January in Las Vegas and that you were able to see our new home and how we enjoy our retirement in Nevada. Thank you for always sharing about " your three girls" through the years as I shared about Shawn and Sarah!!! I will miss you on Thanksgiving and Christmas when we were both preparing for the holidays! Who do I call now when I need some recipes????!! I love you and I still need my sister! You are always in my heart and my thoughts!!
