“ Brad,
Your mom was a special lady! She loved her kids, grandkids and great grands! She was always so sharp and full of life! I enjoyed hearing her stories of meeting your dad and giving up her Auburn scholarship to move to Michigan. She so loved that our son Zach went to Auburn even though she was a die hard Alabama fan! Lol. Roll Tide!
Always keep the memories close and know she's watching over you all!
God Bless

“ Mary was a person you always looked forward to seeing and having a chat. I was fortunate to have known her personally, as a client, and as a neighbor. She loved her family and her family loved her. R.I.P. Mary.jszs69j4

“ I will miss you Mary Marine. You sure did know how to take care of a school, especially keeping staff & principals in line. Your easy, gentle manner in dealing with the kids was something we all tried to emulate. Loved hearing you converse, with that southern accent of yours! You were so much fun to be with and to visit with. Thank you, Mary, for SO MANY wonderful memories, especially at Kenwood School. I will cherish them forever. |ó_T¥_Tñ

“ I grew up with Mr. and Mrs. Marine as our neighbor. Our moms would " have coffee" together and watch each other' s kids as we played in the neighborhood. Her home was one where we could come and go freely, and she was very welcoming to all of us. A wonderful lady, she will be missed.
