“ *In memory of sweet Melissa and heartfelt condolences to her family, She loved her collection of Precious Moments and in hindsight those moments with her were too few and have become all the more precious. I remember her smile and laughter more than anything when I think of " MeMe" . Her family chose for her headstone a Precious Moments girl standing over a rainbow. How beautiful a picture for her!..standing (no wheelchair) round the rainbow throne of God, smiling and laughing... Until then, missing and remembering you, our precious Melissa, with love always...*

“ *Hi Melissa, you are missed and loved by many. Your sweet laugh and heart to care about others was always evident to me. Your life was not easy, but that is over and you don't even remember it now. You are having a great time with friends and family gone on before you. Someday I will join you and we will rock to our favorite music. Missing you, Aunt Pit Boo*
