“ We are so saddened and heartbroken by this news. Our thoughts and prayers go out to her family. We had only met Melissa a few months ago at the Dialysis Center but quickly found out what a sweet person she was. She so loved her daughter and grandchildren and spoke of them all the time. Very sorry for your loss.

“ My dearest Missy, you were a beautiful baby girl with love, joy and a very kind heart. I'm very thankful that God gave us you. You filled my heart with joy and sorrow. I loved your smile and your kindness to all. You lived life the best you could and always seemed to take it in stride despite so many health issues. You touched so many people lives and it shows with all their comments that they truly loved your friendships. I miss you so much it hurts, but would never wish you back because I know your are whole again and free from pain. My prayer is that you were met at heavens gate with our heavenly fathers open arms and all your family and friends that went before you were their too to welcome your arrival. Your daughter Jyce and 3 grand babies will have a tremendous void in their lives and we will do our best to keep them close to the family. Until we meet again. I love you your mom.
