“ *Awesome guy with a great sense of humor. He was also a great hiking guide. Although he failed to save me from rolling down a cliff. Love you Lynn. "Peace and all good things to everyone" Jim Serba*

“ *Mike was always the nicest, outgoing cousin. As a youngster, he was always ready to join in a game or activity when we got together. As an adult, he always sought us out when at the Lipar family reunions, and we enjoyed great conversation. Our family will always remember that Mike made the effort to visit with us when our parents passed. We will never forget.*
