“ Words can not explain the shock horror and pain that I feel for this beautiful family! Such a young life taken so soon. I can never understand why God takes those who are so clearly such a blessing to all of those around them. I do, however, believe that his plan is perfect and that we will all be together someday. May God hold you all close and comfort you in this time of grief. Lean on those who love you and allow them to help you through! RIP Mike! You were an AMAZING person!!
