“ Hello Myron, Dawn, Eva, Michael and Cliff.

*This is David Farrell whom you might remember from Panama.*

*I came across this page and, although I'm not entirely sure what to say, I thought I should leave a comment.*

*Can't say I remember a lot about your guys' dad, although I can recall some pretty crude jokes he had :)*

*I also remember he (and your mother) were pretty tolerant of me being over at your house a lot.*

*I also want to say I think they raised some good kids.*

*I'm very grateful for this friendship I had with Louis (Myron III).*

*I hope this message finds everyone happy and healthy.*

*Sincerely,*

*-David Farrell - 2020/11/16*
