“ Natasha will forever be missed in my heart.

Natasha and I at first did not get along at all at work in 2017..

over time her heart changed and found she was bullying me.... that changed and turned towards being friends and then my Best Friend.

Natasha was like a Sister to me.. I never in my life had the opportunity have siblings..

She would drive me home from work and we would have a Girls time to talk and laugh..

She would say, "

Kristina you still own me my Dr. Pepper Brownies for the car rides home."

She was there for me when I need her the most.

I Love You So Very Much Natasha, you will be very much missed!!
