“ I worked with Pam in the Deli at Carter's many, many years ago and she was a wonderful boss who taught me many things that I still use today. I moved from the area and came back 17 years later. I ran into Pam and it was like we had just seen each other a week prior. She was so easy to talk to and really enjoyed sharing in my accomplishments. When her husband died, I didn't see her around as much and that made me sad. This news was shocking and sad. Pam, you will be missed my friend.
