“ Pam grew up living behind me in Livonia and told me once she had had a crush on me back in high school that I never knew of. Over the past few years I had reconnected with her via facebook though limited conversations kept the flowers water watered on her mom, dads and grandmothers graves as they are buried in the same cemetery as my parents & sister. Said her health was bad but I'll always remember her as a good person & friend. Rest easy in paradise my friend. 🙏🙏🙏

“ Oh Pam, I could go on for days about the antics we pulled, and conversations we had for those 25 years together.

*You will always be remembered for your unbelievable will and strength. I highly doubt I will ever meet another person on this planet that I held more respect for, during some very challenging times. You handled your struggles with such grace and determination and I will forever be grateful that you were in my life. You can finally rest in eternal peace my friend.*
