“ Our hearts were filed with immense grief as Pam was much to young to leave us behind on her journey to a better world. We will think of her when ever around those in the nursing profession as she was a selfless caregiver to many. Her light hearted spirit will be sorely missed. We are very thankful for being graced with her friendship.

“ I always enjoyed seeing Pam at Emma and Lucy' s birthday parties and special events. I can still picture her with her phone in hand taking pictures of the girls and always so excited to send Marty the pictures. I will always be so grateful to her for how good she was to my sister and nieces. They were so lucky to have in their lives and have many memories to cherish.

“ I will always remember working with Pam in the ER and asking her to " tell us a story"
. Within a moment we would be bursting with laughter over her funny rendition of some crazy event, told with a straight face and a twinkle in her eye.
Rest in peace, Pam. May God bless you and your family.
Deepest Condolences,

“ *Marty and family,
I am so very sorry for your loss. I remember Pam well with her many visits to the obscure ports that the ships use to go to so she could be with Marty. She was a great lady and I have fond memories of her
