Pat was employed at Munson Hospital for many years as a phlebotomist. Upon retiring she began volunteering at Mercy Hospital as a patient escort and also delivered reading material to patients’ rooms. After leaving Mercy Hospital she started volunteering with Hospice of Michigan. She was always concerned and compassionate about her visits and loved spending time with people who she felt needed her.

Her compassion and congenial spirit extended to everyone around her. She liked to be around people and was always happy to run into a friend and chat. She loved going to the Senior Center and participating in any activities she could and cherished the friends she met there.

Patricia was blessed with four children and being a mother was a significant part of her life, she adored her children and was always willing to lend an ear to anything they needed to talk about with understanding and guidance. She was a great cook and loved to bake and make delicious cookies and desserts. Patricia always had a book in hand and was an avid reader who loved a great

mystery. She loved her flower garden and tending to its beauty. She was a zealous and determined walker and participated in this activity almost every day of her life for the past fifty years. She was a hard worker and compassionate soul that never gave up. She will be in our hearts for eternity and missed on this earth beyond what words can express. We will take heart in knowing our sorrows will turn to joy as all of our happy memories begin to flourish as the days ahead unfold. Thank you Mother, Grandmother and friend for being such a blessing in our lives and know our endearing genuine love for you lives forever.

Rita, I am so sorry that I did not get back with you sooner, I was not sure how to get a hold of you for the funeral. My mother was in really bad condition due to her Alzheimer's, she got to the point to where she did not know anyone, it was really for the best for her that she passed. Nine months after her passing my grandson passed away, he was 18 months and passed away in our home, I tried reviving him but could not he died in his sleep. That has been really hard but I know he is with his great-grandma. I hope you are doing well Rita God Bless You.

This is a picture of my mom and dad on there wedding day, they had to drive to Indiana and get married because they were to young to get married in Michigan. My mother Patricia Morey was a very generous women who gave and volunteered with compassion care about others around her, she is much more than I can explain or put into words you would have had to know her to experience the love that radiated off of her soul and the aura that she produced was unexplainable. I will forever miss my mother but I know she is in a much better place and the next chapter of her spirit begins.

Pat was the best friend and next-door neighbor and we miss her very much. When I built our "flower wheel" with 11 hangers on it, Pat was the first person to hang a flower pot on it and told me to get busy and get more flower pots hanging on it. Rest in peace Pat.

Hi mom, thinking about you and I miss you very much. It has been 1 and a half years since you left us and I think about you every day. I know you are better now and whole again and that makes me happy. I know we will meet again in time and be together again in the peace of heaven. We are all ok and we love for eternity!
