“ My family had the pleasure of knowing Miss Pat through the Cadillac Library. I started taking my son there when he was only 1 year old. She learned that when he came to visit, he was looking for dinosaur books. She would take him right to the spot where they were. When he moved on to train books, she knew right where those were, too. I was always amazed by her knowledge of the library and her memory of knowing just what books my son was looking for. She was a wonderful, kind, gentle woman who will be greatly missed. My heart goes out to her family.
