“ *The Lord has spoken and He knew what was best. Your void will be painful but not like the continued health issues that Paul was enduring. I sense there is an incredible Thanksgiving feast planned in heaven. Dallas and Paul were well fed spiritually here on earth and can now be in the loving arms of our Savior. Rejoice !! Their time here was temporary. Their eternal home is awaiting you someday Esther. What a glorious day for the Ashbay's in heaven. May God warm your heart with strength, support, comfort and love.*
