“ My memories of Peg were always of her being so nice to us whenever we seen her which maybe were just a few times a year . Always friendly an we found out we were related to her relatives through cousin Clyde. She will be remembered fondly an I would like to express my condolences to her families. Sorry I missed her service. Prayers to all of you.

“ She was my very favorite Aunt. She always made me smile and was such a comfort to me when I lost my dad Don and when I too lost a daughter. She loved our whole family with all her heart. She had the best laugh with a wicked sense of humor. I will miss my Aunt Peg, but I am so glad she gets to see Rhonda again. God bless.

*I had known Peggy for several years starting back in school. She was a great lady with such a great sense of humor. She was so much fun to be around keeping all of us laughing. She always had a smile for everyone and treated all of her friends with a lot of respect and kindness. I will miss her so very much!*
