“ My heart is so broken to have seen this post. For one Annie was a great friend through school and Rachel, uhhh i loved her!!!! One person who made me smile no matter what. She could bring out a smile simply with her unique laugh. I really will miss this woman as she was some what of a big sister all the years we worked together in different restaurants. Prayers and thoughts to annie, craig and the rest of her family. The world lost one more REAL AND GOOD woman. RIP
