“ I'm so sorry to read of Ray's passing. Although I haven't seen him (or his siblings) in many years, I have fond memories of all you cousins... sending you much love.

“ Ray was a very important part of me and my sisters growing up. He was best friends with my dad throughout every grade in school. Ray 100% taught us what NOT to do. He was a part of our family and always will be. We are going to miss him so much. Wish I could call ya one more time for you to respond, "yeah, what do you want!"
Rest easy Rah

“ Ray was very special to our family. He joined us often at Day Huff Lake, Blue's Concerts or just in the garage for a good laugh and conversation. Growing up he was considered family. Rest easy Ray.

“ So sorry to hear the news of Ray's passing. Ray and I worked together for many years. My husband and I both were happy to be friends with Ray both at work and in social settings over the years. He will be remembered and missed.
