“ My thoughts and prayers go out for Ray's children and family. The short years that I knew Ray showed so much love for everyone. The best time and memory we have of you is when we spent the 4th of July in Cumberland, KY and that was a beautiful time with all the family. God used you in many ways to show kindness and giving and now you are in your eternal home with God. You will be missed Ray but never forgotten. ❤️

“ I was so sorry to see this today. Ray was my son Rick's first and best friend in Cadillac when we moved her in 1988. They were both full of fun and laughter. They were friends for many years, up until Ricks passing in 1994. As time passed I no longer saw Ray but the memory of his quick smile and laugh always stayed with our family. My deepest condolences to Ray's family and friends. His memory will live on in the smiles and laughter of those who knew and loved him!

“ Ray was a courageous man that loved adventure. He was also the most charismatic person I ever met, there was something about him that people were drawn to. The only thing Ray liked talking about more than himself was his kids. I have so many great memories that Ray and I shared. I've been blessed to know him and he will be truly missed.
