“ Hello Angie and Randy,  
I never know what to say at a time like this. He sounded like a wonderful young man that was a true asset to our mixed up world. His life is going to live forever in everyone's heart.

*I promise you that there will be many times in the future, you will smile about something that reminds you how blessed you were to have your son.*

*If I learned anything in life, it was to live each day one day at a time and the Lord for all my blessings...*

*Gods speed my friend.*
