“ I have known Renee since 1984 when I moved to cadillac. She was a wonderful friend. Many years ago I moved out of the country and Facebook was how we kept in touch! I will miss you so much my friend!

“ I first met Renee, Brandy & Tiffany when we were all much younger. I babysat the girls for Renee when she'd have errands to run or a date night. I can always remember Renee doing her hair and putting her make up on. Even after the accident- it couldn't stop her from being one of the most beautiful women I've known. Even tho years have passed Renee & the girls remained in my thoughts and probably always will. Just losing my own mother I know the pain that this causes and the space that will never be filled. But, I believe our moms are somewhere watching over us and living the real life! Cheers Renee!! You'll be missed!!

I am so sorry to have just learned of Renee's passing. My husband and I were high school friends with both Renee and Shane before and after they were married. Many many fun nights of playing spades (her and I cheating) to beat the guys. Many good times together! She was a great friend.
