“ I recently took my grandkids to play at Forest View playground and remembered how kind Mrs. Alderman had been to my girls. (We had to call her Mrs. Alderman in front of the students.) We were new to the area and she made a big difference in my girls' lives by being there for them at every recess.

“ I taught 5th grade at McKinley school for the many years Rennee worked there. She was a wonderful person, fun, and worked well with all of the students. May you remember that your wife/mom made a difference in this world. Her smile and personality made each day better for the staff and students. May the huge hole in your hearts be a bit smaller knowing this. She thought the world of all of you. --- Kathy Bunnell

“*I met Rennee at Forest View, she had the warmest and friendliest presence. I knew when I started working in the office I had big shoes to fill, she was truly loved by staff, parents and students. Her office was decorated in pictures and letters from students expressing how kind she was. Rennee always had a hug and a listening ear for all their stories. I wanted to preserve the office as she had done for so many years and many times I would ask myself what would Rennee do?- Students and parents would often ask about her and I would send her a message expressing their love for her. Rennee was a very important part of the Forest View family, she will be greatly missed and forever loved.*

“ Oh Rennee! What to say...my heart aches that your life was taken so soon! Your love of our kiddos and all of the staff at Forest View shined through every single day!

I don't have words for how much you will be missed! I simply want to remember you for the laughs we always shared at lunch in the staff lounge. Your beautiful smile that always greeted me every day when I came in and left. Our little school in the woods was a better place because of you! Our loss is certainly Heavens gain!

May you rest peacefully in Heaven knowing that you touched the lives of children and adults at your job and in life in general. Shine on sweet lady! You were our Sunshine- now go shine for all eternity to see!!!
