“ R.I.P. Richard. I always enjoyed talking to him. He was truly amazing of how he could recite/remember dates/events.

“ Richard was in my class in junior high but I didn't see him again for 30 years. I met him on Mitchell street and told him my name. He said I know you. He went on to tell me my parents birthdates, the date of their marriage. He went on to tell me my brothers birthday, who he married and her birthday. Simply amazing!
He was a kind and gentle person.
