“ *Though your time with us was much too short, you will forever be in our hearts and memories. Pat needed his angel with him and, after all you suffered here on earth, your place with him in heaven is much deserved. Ryan's extended family and friends will not replace you but count on us to see him through.*

“ *Many have wondered why Sally passed so quickly after suffering such hardship in her final years on earth. I can only respond by saying this should strengthen our resolve that a better place exists beyond our comprehension; an afterlife filled with eternal glory and happiness. God allowed her one final act of unconditional love before calling on her to join him in what we call heaven. For it was these acts of love that defined Sally, and it was what made her a truly unique and exceptional individual, who touched our lives in a lasting and consistently positive way. We are angry to be left behind to suffer her loss, yet know she is now truly happy to be reunited with the love of her life. She has been duly delivered to Paradise.*

“ I will be unable to attend today but Sal will forever be in my heart. She was a funny, strong person that was much loved by everyone around her. She and I stayed in touch all these years and yakked about our kids and families. If my Dad was still here, he would say the same. To Ryan, Vanessa, Dan, Mrs Fox and all the Kings, I am deeply sorry for the loss of such a wonderful person. Sending all our love, The Laurie and Harmon families.
