Scott was a client of mine for a few years. I was saddened to see that Scott has passed on , but happy for him as he is going on to be with his Lord and Savior as well as his parents. He was a funny guy whom always tried to make you laugh by telling you his corny jokes, or taking walks around a couple of blocks, talked about school memories, he didn't let his situation get him down. He always found the good in everything and for that ,I am proud to have met you Scott. I will always remember you! My heart goes out to your wonderful family for taking such great care of you. 🙏💕

“ Kathy, Rock, Terry, and Rick: Sending love and prayers in the loss of your brother. I remember Kathy and I playing with Scott when we lived on Walnut St. I was blessed to have a nice visit with him the summer of 2010 on a trip up, when I stopped to say Hi to your mom. He really was a happy guy! May knowing you will see him again one day be a great comfort. Love Carol Wilkins Hurd

Rock, Terry, Kathy, and Rick,
I am so sorry for your loss! I will always think of Scott's big, contagious smile in my memories of him. I remember where he chose to sit at First Baptist during his last years of being able to attend. I remember going to visit him, Jackie and Stan and enjoying that time spent with him. He was a great guy, and I am thankful for the sweet memories. God bless each of you through this sad time.

“ Scott was always glad to see you! A light-hearted, friendly jokster who loved making you laugh! He loved Jesus and dealt with a debilitating disease for many years with grace! He will be one of those people who'll push to the front of the line to welcome you into heaven. My sorrows to his siblings and family. I have no doubt that Stan & Jackie were at the front of the line to welcome him
