“ *Shayne you were one of my best friends for over half my life. We did hunter safety together and pop Warner and for almost our whole senior year we shared a bed haha. I'll never forget the sound of you laughing really hard, or hearing the sound of your voice yelling my name when you were mad at me. I promise to celebrate your life and go twice as hard accomplishing everything we had our mind set to do brother. I'll love you and miss you forever Shayne! You were the bestest friend I could ever ask for, I'll see you on the other side Fam. Love is real, not fade way...*

“ Shayne was a very nice and respectful person. He tried to help me in the game of golf though, I'm helpless in that sport. I love him and will forever be thankful for the times I was able to be around him. RIP my friend!
