“ *Shirley was a very special, wonderful woman. She always had a warm smile and a caring word. Along the way she had a profound influence on many people, me included. She touched the lives of countless numbers of students; she was a tireless worker who never let life's many obstacles stand in her way. She was very special.*

Peace and love my friend.

“ She was such a good person-My heart goes out to her family. I'm so glad I got to see her and the rest of when I was up. Thank God she had patience and a sense of humor or I never would have survived the sewing lessons:)
