“ I graduated with Steve. He was always cheerful and caring. He had a gentle soul. I remember driving with Steve to Big Rapids in a snow storm to see the Turtles play at Ferris State. There was never a worry with Steve at the wheel. I shall remember him always smiling. My deepest sympathies to his family.

“ ”  
Steve was a dear co-worker and friend. He had a passion for his work and strived to make those around him better. He could be depended to take responsibility for the department. I always remember his supervisor saying - hold the fort Steve? Fort held! was his reply. Our condolences go out to Steve's Family. We will miss him.”
