“ I met Pastor Sue in the early 1980’s, just in time to save me from making life choices that I may have never been able to recover from. She, along with Pastor Jim, introduced us to the Word of Faith, Rhema, repentance and they quickly became our Spiritual parents. Pastor Sue was patient, while she saw through all “my stuff”, she gave me room to grow and taught me so much from the Word. Her God given teaching gift, and all her study notes enabled us to have a more intimate walk with the Lord, a Walk of Power and a Walk of the Holy Spirit! Pastor Sue’s (Mom’s) legacy will continue because of all the seed she has sown into so many others lives, from children’s church, to so many one on one ministry times. We love you! ❤️ Rich, Colleen, Ken and Dan
