

Tammy Sue Hubbard

October 18, 1964 - July 22, 2021

Tammy Sue Hubbard of Leroy passed away Thursday evening, July 22, 2021 at home with family by her side. She was 56.

Tammy was born on October 18, 1964 in Flint to John Robert & Betty Lou (Rosa) Adams and they preceded her in death.

Tammy attended school in the Flint area and later moved to the Harrison area for a while and then to Reed City and Leroy.

She was an active and valued member of the Elementary Tustin Leroy Committee, had served as the treasurer of the Friends of the Middle School and was an instrumental part of popcorn Fridays. After the store closed she went to work for Pine River High School in the cafeteria and worked there for six years. Tammy enjoyed spending time with her family, camping, fishing, but most all she enjoyed watching her children play sports.

On June 8, 2000 in Reed City she married David C. Hubbard and he survives her along with children: Ann Marie Irene Renshaw, Christopher James Shell, Fawn Marie Hubbard, Joshawa James Williams, and Naythen Ray Williams;

grandchildren: Zackary Nichols and Nicki Sue Lynn Nichols; siblings: Shirley Knight, Patricia Evanish, Paulette (Terry) Shilling, Chester (Beth) Adams, Anthony (Jaye) Adams, and Kay (Darrin) Luff.

In addition to her parents Tammy was preceded in death by a sister, Susie Williams and a brother, John Adams.

“ *Heaven gained another angel. When i was growing up you were the sister i never had and i was the pesky brat always bothering you and your boyfriends. You made my mom a promise before she passed away, and you scarified alot to keep that promise. Because of you two souls here on earth will have a chance in this world to make something of themselves and in turn make the world a better place for the future. You truly are an angel not only in heaven but you were here on this earth also.*

I Will LOVE YOU FOREVER!

Until we meet again

“ *One of the nicest people that I've ever met. It didn't matter if she saw me at work or at Walmart, she was always so friendly and kind. Her heart was huge when it came to her family, friends and students.*

“ Dear Sis,

I am lucky to have been blessed with you as my sister. No words can describe how brightly you shined. You were a beacon of guidance for us all. You are the glue that holds so many of us together and I have no idea how we can survive without you. You are not gone and will never be forgotten because you live in the hearts and minds of those you've left behind. Love you Tammy.
