“ Toni and I had so many fun filled adventures, camping, biking, x-country skiing, snow shoeing and kayaking. We shared many meals and would talk for hours. She had an amazing sense of humor and we were never short on laughs. Over the last several years, we spent many a night watching Wheel of Fortune and Jeopardy. Though she and I had a special bond, her family came first. Family was everything to her. She was so proud of each of them. She devoted her time being involved with and loving each of her grandkids and great grandkids. I know she is sadly missed and there is a big whole in our hearts that she used to fill. Our grief is in proportion to the love we shared. I am keeping her family close in thought and sending healing energies as they begin their grief journey.

“ Condolences to Toni's family & friends. Our paths crossed on numerous occasions including various social gatherings & during her tenure with Kettunen Center. Toni was gracious in sharing her abilities & talents whether it was making complementary candy nut clusters for guests rooms or captaining a pontoon boat around the lake for employee outings. She was a kind & gentle spirit and a joy to be around. The world was made better with her presence.
