“ I knew Victor all my life as a friend and neighbor. A hard working man who loved his family. I went to Sunday School with his daughters at the Dighton Church. RIP Victor.

“ I met your dad on Saturday, 05-05, at the bar in Leroy where I had gone to listen to the Elder Gang Band with my daughter and son-in-law. He visited with us at our booth and told us all about his farm and about you. How he liked doing woodworking and the valentines he made. Please know your dad had an enjoyable evening before he died. I'm sorry for your loss, but know that he was a delightful person and I'm glad we had such nice time with him.
