“ Thinking of you Uncle Vic as always. I'm blessed to have known and learned so much from You. One of the lessons I use every day it when I came home and you had the whole dashboard tore out of your 1969 Buick and I was amazed ,You said if a person built it you could dismantle and fix it.I attribute my abilities to do the same to you. You also taught me the important of visiting family.Thank You ! I would like to add it was a Purple heart,Silver Star ,Bronze Star and another Bronze with a V on it plus more .Love You !

“ I love you so much dad. It is so unfortunate that so many missed my Fathers funeral. I have envisioned many people would show because of how generous,kind,courageous,caring man he was. I would only hope he lays in many hearts as he does mine. Always and forever missed and loved. - Your Daughter Ann

“ I remember Uncle Vic as a funny guy always laughing and making others laugh, I remember the year he bought jewelry boxes for my sisters and I that had the little ballerina inside and played music, I think I kept it for years, it was special to me, he was a good Uncle and will be missed.
