“ Thoughts and prayers for all of you. Vi was always so sweet to me when I would see her as a young girl hanging out with her daughter Teri and as an adult when I would see her at JC Penney. I know she will be missed.

“ My condolences to Vi's family and friends. I worked with her on many projects during her time at PrintMaster's, and she always had a smile and kind word when I would later run into her at JC Penney. Vi was very talented, and a very kind person who we are all the better for having known.
