“ God Bless You, Jinny. I have so many memories as a child with you and your family. I can't imagine having grown up without you as a neighbor and so much more than that. May you rest in peace with your husband by your side as he always was.

“ Oh Jinny, I wish I had known you were but a stone' s throw away from me... it has been 36 years since we laughed together and I miss you and the Family...it is so hard to be without your family of Friends all these years, now I will have to wait until such time as I, too, get to see God' s face as you most surely have done.. I will regardless thank God for knowing you in my youth and the greatness of your Heart... God Bless You, Jinny... See you in the next life!!!
