“ Wendy's flair for art, cooking and hospitality was a delight for anyone who had the pleasure of knowing her. She delighted us at 6 am Keystone meetings with her delicious homemade treats and pastries that must have taken hours, if not days to prepare. She knew how to make the most mundane things fun by spicing things up with her sharp wit and creativity.

Mike and Wendy's Halloween parties were epic. We will never forget the incredible decorations, food, and friendship that we shared.

God Bless you and rest in peace, Wendy. Thanks for all of your hard work and diligence in educating and inspiring the OR staff. The souls in Heaven are going to enjoy you!!!!

Prayers and deepest condolences, Mike and family.

“ Wendy was an absolute gift to anyone who knew her!! You'll not have found a kinder heart, a better hostess, cook, golf buddy, dog momma and friend. Always the first to be by your side, remember tiny details about you and offer support in any way. A great, great human with a giant, colorful heart! I will continue to miss her gentle spirit a long time to come. Rest in peace my dear friend until we see each other again.
