“ Wes and I grew up together as back yard neighbors. Our parents played cards nearly every Friday night for years. The six of us boys had a great time being boys. My poor sister put up with us. Wes and we're both in the army and served in Vietnam at the same time. I will miss talking to him and sharing memories.

“ Growing up I had the pleasure of enjoying the Pitts boys as cousins. As adults reacquainting with Wes when he worked in the oil fields. Rest In Peace Wes. I bet the fishing is great in heaven.
