“ I remember Bill fondly from when I worked at Rite Aid and he came in to chat with all his girls-. Such a nice man and proud veteran. My husband is a member of the Cadillac Area Honor Guard, and if the family would like any level of Military Rites at the graveside memorial service, please contact them. They would be honored to provide that for Bill in thanks for his service. Our condolences to your family.

“ Bill worked with my husband, Carl Lyons, for the City of Flint. They were good friends and enjoyed each other's company! When they retired, we each bought a place in Baker Acres, Zephyrhills, Florida. It was a bonus having Bill there, along with Geri! So sad to hear that he has passed. I think Carl will be glad to see him up in Heaven!! Sending love and prayers to his family!
