“Mrs. Snider”, Bill, and Betsy, I was saddened to hear about “Mr. Snider’s” passing. It took a long time for the news to reach me here in North Carolina. I can clearly remember all the fishing trips we went on at the Clam and Hopkins creeks. I remember the month I spent with your family in the summer of 68. The camping trip up at the Hopkins with the Pattersons. Even though it’s been 54 years since I moved from Cadillac, the memories are extremely clear. Even the time Bill and I took your car for a ride on the Hopkins and managed to put a “small” dent in the front fender. Bill and I knew no one would notice. Mr. Snider’s hawk eye noticed it within an hour. Great times. I’m sending prayers for all of you. It’s a difficult time. Maybe some of those memories will help.

My uncle was loyal, witty, and had a terrific sense of humor. I loved listening to what he had to say from himself or from others secondhand, as it was always something memorable and poignant. I greatly admired him.
