“ This picture of Bill is the way I will always remember him, with that big smile! He was such a loyal friend and had a memory that could recall events from 55 years ago like they were yesterday's events. I loved his stories of he and Steve and their escapades. I am so very touched by your remembering Steve as one of his best long times friends. 💖 Bill stood up for us when we got married and he was there as a pall bearer when Steve passed. Now I'm sure they're reminiscing together in heaven. 🌸 My most heartfelt sympathies are extended to Bev and the entire family for the loss of such a dear man.

Always,
Pat Bacon
