“ *I am so very sorry. I knew Zeke from his time at Kenwood School. I was fortunate enough to spend quite a bit of time with Zeke over his years there. We laughed together many days. I wish someday his family will be able to find peace after a loss like this. Miss Patti*

You had a special place in his heart. Thank you for sharing your memories of him. It really means a lot to me. Still seems surreal. I miss him so much.
